Re: Proposed annexation of  
"Increment 24"

Dear Sir:

At the meeting held on January 17, 1952, the County Boundary Commission reviewed the Boundary Description and map submitted by the City of Long Beach for the proposed annexation of Increment 24- Uninhabited Territory Situated North of Stearns Street and West of Panwood Avenue, to the City of Long Beach.

Upon recommendation of the County Surveyor, slight revisions of the boundary description were made to provide the definiteness and certainty required by Section 55002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on your map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a copy of a map prepared by the County Surveyor showing boundary points used in preparing the revised description is enclosed for your information.
